PROFILE

Enthusiastic front-end developer seeking an opportunity to maximize both my professional expertise and my passion for front-end development to make significant contributions to a growing team.

My acceleration over the past ten years from Accountant to Finance Director provided me the skills to successfully achieve my goals.

Now my aim is to combine both my professional business experience as well as my extensive education and hands-on projects in web development to thrive in a front-end development role.

PROJECTS

PRODUCTLY PROJECT

HTML, CSS, SASS, JS

Responsive website for design company
<https://datsolena.github.io/Productly/>

<https://datsolena.github.io/Foxgram/>

EXPERIENCE

2022-RECENT

SCREENING EAGLE

FRONT-END DEVELOPER

Currently I'm working for Swiss Company as a Junior Frontend developer. I'm involved in several projects, such as corporate website, applications for time tracking and product catalog. Last two are made from scratch.

2022-RECENT

MGM CONSULTING IT

FRONT-END DEVELOPER (part-time)

Part-time participation in web-development processes in IT company. Preparing, testing landing pages, helping with implementing new features.

2015-2021

BLACKTHORN VISION

CFO

My main achievement in this role is that I have set up all financial processes and built a strong team of Accountants in dynamically growing Company, we have successfully passed annual tax audit and proved efficiency of our internal financial processes.

2012-2015

NESTLE BUSINESS SERVICES EUROPE

AP ACCOUNTANT

This job taught me how to be a team player, I practiced my communication and co-operative skills with colleagues from other departments and countries. I learned how to implement new processes and continuously improve them (problem solving activities and daily operational reviews).
